DOMES: A PHOTOGRAPHIC RECORD OF THE MILLENNIUM DOME

Booth-Clibborn Editions. Paperback. Book Condition: new. BRAND NEW, Dome: A Photographic Record of the Millennium Dome, S. Perkins, A photographic record of the architecture and engineering of the Millennium Dome. The book documents the building process of the dome at every stage, from its inspirational inception to its finished state. Specially-commissioned photographs, architectural drawings, maps, plans and computer models are included. Each image is captioned with a date and a brief explanation of the construction process featured. Focusing on the development of the entire Greenwich site, the book examines the ecological transformation of this brown field site and in particular its proximity to the Thames. Details as well as panoramic images convey the scale of the project and a short, incisive introduction traces the development of the building's design, construction and development.
